

PLEASE DO NOT APPROVE THE USE OF CELL PHONES IN FLIGHT. I AM A UAL FLIGHT ATTENDANT OF 9 YRS AND THIS WOULD BE A SECURITY THREAT. IT WOULD ALLOW TERRORISTS TO COMMUNICATE STRATEGICALLY IN FLIGHT AND CAUSE NOISE LEVEL AND STRESS LEVEL PROBLEMS. IT COULD THREATEN SAFETY IN THE EVENT OF AN EVACUATION. WHO WOULD LISTEN TO CREW? WHO COULD HEAR US IF HUNDREDS OF PEOPLE ARE ON THEIR PHONES. WE STILL HAVE NO PROOF THAT IT DOESN'T INTERFERE WITH FLIGHT COMMUNICATIONS. IT'S NOT WORTH THE RISK. I WOULD NOT FEEL SAFE AT WORK. BETTER SAFE THAN SORRY.
